

Playa Del Carmen, Riviera Maya, Mexico SSI Advanced Course in Playa Del Carmen

The diving

This course is the next step in increasing your knowledge and developing your skills to make your diving even safer and more enjoyable.

The course consists of 5 dives, each of them explores a new area of diving, like deep diving, wreck diving, navigation or underwater photography. It is a playful course giving you experience and control in the water by simply diving with different purposes and goals. It is a special course, and it should be done in a special place, the Cenotes in Mexico is a good option!

Few places on our planet give you the contrast between two very different but equally inspiring underwater worlds. Mexico is an exception... One day you will be on a boat, ready to gear up for your dive on one of the biggest most beautiful coral reefs in the world... The next you will be on your way into the ancient Mayan Jungle in a jeep full of dive gear, on a mission to dive the enchanting cenotes. These two types of diving are so spectacular that you can't do one without doing the other!

During your Advanced Open Water Course you will have the chance to see both environments.

SSI Advanced Course in Playa Del Carmen

Location

Situated between Cancun and Tulum on the Mayan Riviera, Playa, as locals call it, has grown to be the most frequented vacation destination in Mexico. You'll find miles of white sandy beaches and turquoise waters of the Caribbean Sea to the east, while lush green jungle parallels the town to the west. Here, beach bumming and visiting ancient Mayan ruins is almost as popular as the legendary nightlife.

Accommodation in Playa del Carmen

Since you will be diving, and therefore need your rest at night, you will be checking in at your very own quiet apartment. Within a mere 100 meters you will find the dive center, the beach and the main street where cafes and bars are only outnumbered by little art shops and Mexican market stands.

Your apartment in Playa Del Carmen

Your apartment is one out of 6 apartments that is rented out to divers at the dive center. With a little kitchen and living room area, you can cook meals and relax in a quiet atmosphere whenever needed. The apartment has Aircon, wifi and hot shower. Transfer Information from Cancun airport:

Taxi - Grab an authorized airport taxi. It's a 45 minute ride to Playa del Carmen. A union controls who are allowed to carry tourists from the airport and what they charge. Taxis originating in Playa del Carmen are not actually authorized to take people to Playa, but you may end up with a driver that doesn't find his way around Playa very well.

Colectivo - A colectivo is (usually) a van that will take up to 10 people. They don't leave at any specific time, but you will have to wait until it's full enough to justify the trip. You may have to make stops at other resorts and hotels along the way, which can easily double the time it will take you to get to Playa del Carmen. To take one of these authorized taxis, go to any of the TTC kiosks located around the terminal and buy a ticket, or just step out of the arrival hall and you will get many offers. The price usually works out to about 18 usd per person.

Direct bus - Mexican bus company Riviera operates a direct bus service between Cancun airport and Playa del Carmen. Tickets are 65 pesos (about 7 usd) each way, either way. It leaves from outside the main arrival hall at the airport. Just before you exit the terminal, there is a Riviera counter where you buy the ticket. In Playa del Carmen the bus works out of the main bus terminal on 5th Avenue and Juarez.

When you arrive at the bus station in Playa, there will be many taxis to take you to the hotel.

You need to let the dive center know your arrival at least one week in advance. You will find the details for the dive center on your voucher.
