Restricted dives

Diving is dictated by the environment and the people enrolled in the activity. All diving is performance based. It is up to the discretion of the dive guide/instructor to restrict divers from entering activities that goes beyond their experience level. All guides strive to reach the expectations of the customers. However, if they find that the safety of the group or an individual is jeopardized or at risk by one or several individuals, it is up to the dive guide/instructor to restrict any divers from entering the water.

In this event the dive center or Blue Venture is not obliged to give a refund.

Dives not completed

Most dive centers do not give refunds for dives not done with personal causes such as seasickness, low on air situations or a failure in mastering the equipment etc. All log books will be checked prior to the dive and the dive sites will be chosen accordingly to the experience level. It is however expected that certified divers keep within their limits and do not cross their comfort zone. Blue Venture and your travel agent is never responsible to pay a refund for dives not done.

If the customer does not have adequate time to enroll in another trip/course it is up to the customer to make sure the dive center notify Blue Venture of this in order to secure a refund via the sales agent who completed the sale with the customer. There will only be refund on the diving and not the accommodation.
