

Sharm El Sheikh, Red Sea, Egypt Sharm El Sheikh - Advanced Course

The diving

Becoming an Advanced diver is a major step for most people. It gives you the tools for enjoying your diving even more by taking you through different types of diving. Your buoyancy will be fine-tuned, your awareness will become greater and you will simply find diving easier and even more addictive.

Before you start your Advanced Course on this destination, you will have a day of diving on the local dive sites. No instructions on this dive, just a couple of regular fundives that will get you comfortable in your gear and prepare you for one of the best courses in your life, on some of the most beautiful reefs in the world!

Many years ago the first divers took the long trip through the Sinai Desert in order to explore some of the best diving on the planet. They found several bays on the southern tip - one named Naama Bay. Here the diving was so pristine and the animal life so rich and with such a variation that they settled down. And in the years to come a massive dive tourism industry grew up here.

Today Naama Bay has one of the highest rate of passing divers on the planet, and lots of tourists check in on one of the many hotels every day. The diving is no longer as it was in the early pioneer days, but by using a day boat, it is still possible to enjoy the splendid logistics and access really great diving. If you like to combine your diving with the delights of sun, desert and Egyptian tourism at its best, Sharm is an easy place to go to.

The diving is just around the corner so within very short time, the cosy dive boat can bring you and your friends on top of crystal clear dive sites.

Sharm El Sheikh International Airport has direct flights from most European countries. Transfer to the hotels is by bus and is easily arranged with the dive center for 20 Euro return for 1 person. This price goes down as the number of passengers for the bus goes up.

If needed: regular taxis and tourist taxis (which charge double the fare, do not be scared to argue the price down!) operate from the airport. Minibuses also go to Sharm El Sheikh. They wait outside the airport and only leave once full. The fare to Sharm will take approx 20 minutes and you must remember to bring the address for the hotel and agree with the taxi driver where he will take you. Make sure you have proper petty cash in Euro notes ready.

Once you arrive in Egypt you must purchase a tourist visa. Unless it is part of your flight ticket the price is typically 15-20 US. Be aware that you might be asked for this amount in Euro on cheeky days.

You need to confirm your arrival with the dive center at least one week in advance. You will find the details for the dive center on your voucher.
