This is only a selection of the many activities represented on this particular destination. The snorkling is dictated by the safeness of the environment.

Paddleboarding:

Have you ever been on a Stand-Up paddleboard? It is FUN! We highly recommend that you go practise from the beach, where there is no waves and shallow water. In general, we recommend that you keep the paddleboard in shallow water, if you are new at this activity. But once you got it down, get information from your dive center on where to go.

Kayaking:

The island of Dhiffushi is small, and could easily be paddled around. So make sure you get a good introduction of where to go, and what currents to look out for, before you jump in your kayak!

Snorkeling:

There are so many different things you can see, snorkeling from the island of Dhiffushi! We recommend to do the snorkling from our boat. We can do snorkling trips to a lot of good snorkling sites, where you can see sharks, turtles and lots of fishes.

For something different, try snorkeling in the afternoon, If you move very slow, you might be able to get close to the sharks hanging out.

Beaching:

Bikinis are absolutely okay at the bikini beaches. Dhiffushi has three bikini beaches placed different places on the island, so go try the different ones.

Prerequisites

All ages are welcome ome the paddleboards, Kayaks and SUPs. However, please consider currents when bringing small children, or swimmers with less strenght. You will not have a guide when snorkeling or paddling, and therefore it is your responsibility to take the neccessary safety precautions.

The Kayaking, snorkeling and paddleboarding are done independently, and at your own risk. You will be introduced to the local environment, currents and points of interests at the dive center.

A general briefing on environment, safety and the use of the water gear is given, and life jackets are always available.

Itinerary - 5 days and 4 night

Day 1: Arrive Male and hop on a speed boat to Dhiffushi. The dive center will help make your booking to Dhiffushi and provide all details necessary for your transfer. You will be met at the harbour on arrival and taken to your guesthouse. Take a dip in the ocean or stroll around the island until evening time when it is time to check in with the Dive Centre to get an intro talk of where to go and what to do.

Day 2, 3 and 4: After breakfast, choose your mode of transport (Kayak or Paddleboard) pack some snacks, camera and sunscreen, and paddle off to a snorkeling reef, a nearby island or a solitary sandbank.

Soak up the sun in a sun lounger, swing in a hammock and sip a fruit juice in the sunset, until you seriously consider to miss your outward flight and carve souvenirs to just stay on the island forever!

Day 5: If you can track down any remaining sense of responsibility, resist the urge to build a shanty on the beach and catch a speedboat to the airport/Male for your next destination.

If you want a longer itinerary, you can add extra days of diving and accommodation upon booking.
